Rare escapes on the road.

The journey is the destination – especially in a new Jaguar on these destinations. They offer a rare combination of scenic beauty, inviting roads and memorable landmarks. Roll over to see them all or narrow down your options based location or the driving mood you're looking for.

A taste of the rare things in life.

Flawless designs. Fine art. Fearless performances. We've collected the rare things in all walks of life – including amazing architecture, fine art, high-performance machines, breath-taking events and, of course, the latest Jaguars.

A RARE ADVANCE

The 2011 Jaguar XJ features a new frame that's pressure cast from aluminum and magnesium, providing a strong, light architecture that improves fuel efficiency, structural rigidity and performance.

The Central California coast – Monterey to Morro Bay
Length: 123 miles (six hours)

There are few better places to cruise in your Jaguar than on Highway 1 from Monterey to Morro Bay. Along this visually breathtaking ride, you can sightsee in Monterey, beachcomb at Carmel River Beach, bird watch in Point Lobos State Reserve and more.

A NEW TRADITION

Unlike the traditional palace-like structures of many hotels in India, The Taj Vivanta combines technology and contemporary design within a strong architecture landscape paradigm that enlivens the senses.
